WHAT DID WE DO WRONG? Time to plan/execute was compressed. Combine with other family events.

WHAT DID WE LEARN? Kids had fun competing, parents were very happy. Combined with other family events.

WHAT DID WE DO RIGHT? We advertised via multiple methods. Kids enjoyed. DO IT AGAIN? Yes

HOW SHOULD WE CHANGE OR IMPROVE THIS ACTIVITY?  
It has been emphasized that it will be best to combined this event with a parish family event. Timing is critical, of course, so it falls upon the proper fiscal year. Maybe combine it with RE/Youth Ministry kickoff so there is more participation. We had 17 and that is not bad, but the highest participation was from 11am Mass, only a few from 9am, and none from Saturday 4pm Mass. If possible, we should acquire our own soccer goal to have our own resources, instead of borrowing. We also need more balls of the right size and be ready to cycle the kids kicking in a more expedient manner. We eventually had two alternate kicking in a fairly smooth rhythm.

This form provides the Supreme Council office with valuable participation statistics as well as feedback about the program in general.

### PERSONAL COMMENTS OR OBSERVATIONS CONCERNING THE SOCCER CHALLENGE PROGRAM:

This was an excellent family activity. Parents were encouraging their kids, challenging them to do better with every kick. Kids had fun exercising and competing against each other. Our council had the opportunity to add smaller soccer goals for kids younger than 9 years. This added to the family environment since all kids, regardless of their age were able to participate, even if they were not part of the official challenge.
